

GrabDocs for Education Nonprofits

Find Anything Instantly

All organizational information—student records, grant documents, policies, meeting minutes, financial records, and correspondence—is stored securely in one searchable location. GrabDocs automatically categorizes every file for instant retrieval

Program staff accesses participant records or service documentation. Staff can ask questions using Chat and instantly get exact information from all records.

Turn Past Work Into Business Intelligence

Analyze organizational data across documents to identify patterns. Track program performance trends over time.

Understand operational efficiency insights Understand grant funding patterns and outcomes

Never Lose Meeting Knowledge

Professional video meetings directly from the platform for board meetings, staff meetings, parent conferences, or stakeholder sessions. Automatic generation of clear summaries of key decisions and discussions.

Meeting recordings, transcripts, and summaries automatically indexed and searchable Full searchable transcripts for reference

Better Grant Management and Financial Tracking

Organize grant applications, proposals, and awards in one searchable system Track grant reporting requirements and deadlines

Generate financial reports for board meetings Organize financial documentation for grant compliance.

Better Scheduling and Document Collection

Full Google Calendar integration for seamless scheduling Create board meetings, staff meetings, events, and program sessions directly from GrabDocs

Secure sharing with stakeholders, partners, or regulatory bodies Attach organizational documents directly to calendar entries.
